## Professional Summary

---

A dedicated and enthusiastic Computer Science Engineering student specializing in Cybersecurity. Proficient in full-stack web development using React and Spring Boot. Strong problem-solving skills, with expertise in C++, Java, Python, and a commitment to delivering secure and scalable solutions.

## Education

---

<b>Sri Krishna College of Technology</b> , B.E. in Computer Science Engineering (Cybersecurity)	2022 – 2026
• CGPA: 8.33	
<b>Nirmala Matha Convent Matric Hr Sec School</b> , HSC	2009 – 2022
• Marks: 92.6%	

## Skills

---

**Languages:** C++, Java, Python

**Technologies:** React, Spring Boot, MySQL, AWS, Git

**Soft Skills:** Leadership, Problem Solving, Communication, Teamwork

## Experience

---

<b>Cybersecurity Intern</b> , Livewire – Coimbatore	Jun 2024 – Jul 2024
<ul style="list-style-type: none"><li>Configured firewalls and intrusion detection systems (IDS) to defend against cyber threats.</li><li>Performed network vulnerability assessments and implemented remediation measures.</li><li>Implemented symmetric and asymmetric encryption methods for data protection.</li><li>Collaborated with cybersecurity professionals in simulations of real-world attacks.</li></ul>	

## Projects

---

<b>CARESPHERE</b>	Project Link
<ul style="list-style-type: none"><li>A full-stack healthcare web application for managing appointments and emergency medical requests.</li><li>Developed secure authentication and real-time status updates using React, Spring Boot, and MySQL.</li><li>Includes admin panel for hospital staff and user dashboard for patients.</li></ul>	
<b>CLOUD CART</b>	Project Link
<ul style="list-style-type: none"><li>Responsive e-commerce website for electronics shopping built with HTML, CSS, and JavaScript.</li><li>Features dynamic product listing, shopping cart, and smooth UX on desktop and mobile.</li></ul>	
<b>E-PORTFOLIO</b>	Project Link
<ul style="list-style-type: none"><li>A personal portfolio website showcasing skills, projects, and achievements.</li><li>Built using React with a responsive and visually appealing design.</li><li>Integrated hover effects for better user experience.</li></ul>	

## Certifications

---

- Google Cybersecurity Professional Certificate – Coursera – 2024
- Data Structures Certification – Scaler – 2024
- Oracle Generative AI – Oracle University – 2024
- Cisco Introduction to Cybersecurity – Cisco Networking Academy – 2023
